Leader: Blessed are those who trust God, whose trust is in the Lord.

People: They are like trees planted by water, sending out roots by the stream.

Leader: They have no fear of summer's heat, nor do they wither in the sun.

People: In the year of drought they are not anxious, for their lives bear the fruit of righteousness.

Leader: Come to the waters of life all you who trust in the Lord.

People: We have come to worship and to send forth our roots into streams of God's living water!

OPENING PRAYER

God of blessings and woes, bless us this day with lives filled with love, caring, generosity, and deep, abiding hope. We pray that your kingdom will dwell among all people, and that we may be instruments of your love and your grace. Open our hearts with the joy of healing a world filled with brokenness and pain. In the name of the one who

**taught us the ways of light and love, be in our worship and
in our very lives. Amen.**
